

A number of new rules which will be used in this year's competition are listed below:

Soccer:

- 1- If a team is not on the field within 10 minutes of the kickoff whistle, then 1 goal for every 10 minutes will be awarded against the late team. For example, if a team arrives 13 minutes late then they will start the game 1 goal down and the first half will be shortened by 13 minutes. If the team arrives after 30 minutes then they would automatically forfeit the game; and the opposing team will be rewarded with a 2/0 win. P.S. ONLY the referee's timing will be considered when teams are late.
- 2- The points system will be as follows:
 - ◆ 3 points for a win.
 - ◆ 2 points for a draw.
 - ◆ 1 point for a loss.
 - ◆ 0 points for forfeiting.
- 3- Each team will need to fill in a team sheet, prior to the start of every game. Each player participating on the day will need to sign the form as well as presenting a photo ID to the person responsible.
- 4- All registration money must be paid by the 2nd week of the competition.

Volleyball:

- 1- If a team is not on the field within 10 minutes of the kickoff time, then 1 set for every 10 minutes will be awarded against the late team. For example if a team arrives 14 minutes late then they will start the game 1 set down. If the team arrives after 20 minutes then they would automatically forfeit the game; and the opposing team will be rewarded with a 2/0 win. P.S. ONLY the referee's timing will be considered when teams are late.
- 2- The same points system as the soccer's will be applied.
- 3- As well as in soccer, team sheets must be filled prior to the start of every game.
